Bio

At an early age, Hillary Fisher learned from her father that successful attorneys care about their clients and care about what their clients want. By following in his footsteps, Hillary is committed to helping her clients by being diligent, meticulous, detailed-oriented and valiant on their behalf. As a trusted advisor, she strives daily to meet and exceed all expectations.

After graduating from law school, Hillary worked as an attorney in Dallas where she gained invaluable environmental and toxic tort litigation experience defending Fortune 500 companies from the discovery phase through trial. Since returning to Alabama and joining Huie in 2018, Hillary has expanded her law practice to include the areas of medical malpractice, professional liability, product liability and insurance defense. In this role, Hillary can continue to nurture client relationships and grow her career, building upon lessons learned from her father, from her time working as a law student in the Civil Law Clinic and Elder Law Clinic and from her professional experiences in Texas.

In her free time, Hillary enjoys playing tennis and spending quality time with her husband, Todd; their daughter, Poppy; their dog, Arnie, and family and friends.

Hillary earned her BBA, cum laude, in Risk Management and Insurance from Southern Methodist University and her JD from The University of Alabama School of Law.
