Bio

Greg Schuck is driven to see justice served. Life may not always be fair, but there is a right side and wrong side to every argument, and Greg's clients can always count on him to do what's right on their behalf. Concentrating on product liability, trucking, medical device, complex/class action litigation and electronic discovery, Greg brings an engineering expertise that few attorneys can claim. In addition to serving clients primarily in the Southeastern United States, Greg is admitted to practice throughout the State of Alabama as well as before the United States Supreme Court.

Since joining the firm in 1994, Greg has tried over 44 cases to verdict, handling matters in State and Federal courts in Alabama, Arkansas, California, Florida, Georgia, Illinois, Indiana, Kentucky, Louisiana, Michigan, Mississippi, Missouri, New Jersey, Pennsylvania, South Carolina, Tennessee, Texas and Virginia. For every client and each case, Greg is prepared, competitive and committed. By providing big picture, strategic thinking and dedicated personal attention, Greg becomes more than his client's lawyer, he becomes their partner.

When he's not working, Greg enjoys playing golf, hunting and spending most of his free time with his wife and children.

Greg earned his BS from The University of Alabama and his JD from Cumberland School of Law at Samford University.
