Bio

Brian Donald is a native of Needham in Choctaw County, Alabama. While most people are not familiar with this area, small-town living made Brian a more ambitious person. Within his tight-knit community, he saw the positive impacts of hard work, creative problem solving and relationship building from an early age. Now as an attorney, he applies those same skills to connect with clients and help them evaluate and resolve their legal problems. Brian is committed to working tirelessly to represent his clients.

Prior to joining Huie in May 2022, Brian began his law practice at a full-service firm in Fairhope, AL. Now, Brian focuses his growing practice in the areas of nursing home litigation, medical malpractice and insurance coverage and defense. Since becoming an attorney, Brian has embraced the ever-changing landscape of the legal profession and enjoys the challenge of researching new issues and educating his clients. Even as a law student, Brian understood the importance of contributing to the greater legal community. He served as a Senior Editor for the Alabama Civil Rights & Civil Liberties Law Review and was a member of the Trial Advocacy Competition Team.

Away from the office, Brian enjoys quality time with his wife, Brittany; visiting craft breweries; and spending time outdoors fishing, golfing, and hunting.

Brian earned his BA in History from The University of Alabama and his JD from The University of Alabama School of Law.
