Bio

Early in life, Morgan Turner knew that she would follow in her father's footsteps and become an attorney. She witnessed firsthand the commitment he provided to his clients and the relationships he built, and knew that a career being an advocate was also in her future. As a lawyer, she gets to compete for her clients and defend the integrity and products of some of the world's largest manufacturers. Morgan welcomes a challenge, and her ability to connect with others makes her an essential team member in and out of the courtroom.

Morgan joined Huie in June 2022, where she focuses her law practice in the areas of product liability, automotive litigation, and insurance defense. Morgan's prior professional experience and law school contributions will aid in researching solutions, securing the best possible outcome for her clients and establishing her as a seasoned client advocate.

In her free time, Morgan enjoys running marathons, listening to live music, and cheering on the Alabama Crimson Tide.

Morgan earned her BS in Business from The University of Alabama and her JD from Cumberland School of Law at Samford University.
