Bio

In a family of dentists and healthcare workers, Ryan Baker chose a legal career path. While his work is different, his family's motto of being attentive, adaptable and available remains applicable. As a litigator, he works diligently to stand up for his clients. Each day, Ryan prioritizes meeting and exceeding the needs of others' and is driven by a no excuses mindset.

Ryan joined Huie in September 2022 to grow his career in the product liability and automotive litigation practices areas. He brings to Huie an unmatched competitive spirit. While growing up, Ryan participated in numerous sporting activities (e.g., football, baseball, basketball, tennis), and as a law student, he enjoyed trial competitions. Ryan learned from an early age the importance of preparing, playing and winning as a team. Now, as a more seasoned team player, Ryan's game is to focus on the needs of the firm and his clients, working tirelessly to provide service excellence and the best possible outcomes.

Away from work, Ryan enjoys outdoor activities, including hunting, fishing and farming. He also cherishes quality time with his wife, family and friends.

Ryan earned his BS in Biochemistry from the University of Montevallo and his JD from Cumberland School of Law at Samford University.
