Bio

Jacob was born and raised in Birmingham, and always knew he wanted to invest in the city that he calls home. Having grown up around the world of law, stepping into the legal field was something he naturally gravitated towards. Jacob has an innate ability to analyze large problems, distill complex facts, and find creative solutions.

Prior to joining Huie, Jacob served as a Judicial Clerk for the Honorable Judge Jim Hughey, III, Circuit Court Judge of the 10th Judicial Circuit of Alabama and worked as an attorney at a boutique civil defense firm in Birmingham, where he handled matters involving general litigation. Jacob enjoys being a lawyer because it is a job that allows him to piece together a puzzle of complex issues. He believes that every task set before him is an opportunity to strive for excellence, which makes him a faithful advocate for his clients.

Jacob earned his Bachelor of Science from the University of Alabama and received his J.D. from Cumberland School of Law at Samford University, where he was named to the Dean's List and received a scholar of merit award for his work with Nonprofit Corporations. Jacob was also elected to serve as a representative of the law school for the Student Bar Association.

In his free time, Jacob enjoys spending time with his wife, Tyler, and their daughter, Charleston. Additionally, he enjoys live music, fly fishing, and cheering on the Alabama Crimson Tide.
